Instead of meat, many Catholics choose to eat fish. On Ash Wednesday and Good Friday, Catholics aged 18 to 59 also limit the amount of food they eat. Only one full meal, and two smaller meals that do not equal a full meal, are eaten. The best rule of thumb is to make sure your meals are smaller than what you would eat on a typical day - and to avoid snacks. An exemption is allowed for pregnant women and those who need regular meals for medical reasons.			

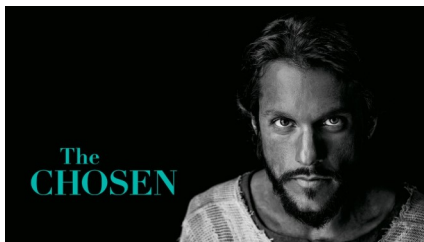

Regulaciones de Cuaresma: los católicos mayores de 14 años no comen carne el Miércoles de Ceniza y todos los viernes durante la Cuaresma, incluido el Viernes Santo. En lugar de carne, muchos católicos optan por comer pescado. El Miércoles de Ceniza y el Viernes Santo, los católicos de 18 a 59 años también limitan la cantidad de alimentos que comen. Solo se come una comida completa y dos comidas más pequeñas que no equivalen a una comida completa. La mejor regla general es asegurarse de que sus comidas sean más pequeñas de lo que comería en un día típico, y evitar los refrigerios. Se permite una exención para las mujeres embarazadas y aquellas que necesitan comidas regulares por razones médicas.
